

## Understand

You're here! That makes us happy! We're mighty glad you came.  
Let's talk about the Savior's love and share His precious name.  
God loves His children dearly as our new word will show...  
Let's choose the letters that we need – on your mark, get set, go!

And our word is... **Understand**.  
To **Understand** is to know what something means

I don't know what this word means. I just don't **understand**.  
It's in the Bible. So, I'm sure it must be God's command.  
You're reading in the Bible. Well, Chuck, that's very nice.  
I guess, but I can't **understand**. I've read this same word twice.  
Well, let me take a look, Chuck. Maybe I'll **understand**.  
Right here – "Abraham's descendants" God said they'd be like sand.  
So what is a descendant? Did I say that word wrong?  
No, that is right. A descendant describes where we belong.  
You mean whose in our family... my mother and my dad?  
Yes, you are their descendant. And so's my uncle, Chad?  
Well, kind of... Let me show you. It's called a family tree.  
My grandparents are at the top. Here's mom and dad, then me.  
And you are their descendant. That's right, and Chuck is too.  
And every family is special. God loves each one. It's true.  
Descendant, that's a good word. And now I **understand**.  
Each family is so wonderful. That's just the way God planned.

**Understand** - Then you will understand what is right and just.  
(Proverbs 2:9)

It's great to learn together and help each other see...  
How just a moment in God's Word can bless our family.
