

Near

You're here! That makes us happy! We're mighty glad you came.
Let's talk about the Savior's love and share His precious name.
God loves His children dearly as our new word will show...
Let's choose the letters that we need – on your mark, get set, go!

And our word is... **Near**.

Near is the opposite of far

When playing in the front yard, mom always says to me,
"Remember, don't go **near** the street. It's dangerous, you see."

When running in our back yard, my dad will say, "Alright.
Do not go **near** the neighbor's dog. Remember, he might bite."

Near means to be very close. The opposite is far.

And both refer to distance. So, they tell us where things are.

If I speak in a microphone. Then everyone can hear.

But, if I whisper quietly, you must be very **near**.

My aunt Sue lives far away. But she'll be moving soon.
She bought a house that's real **nearby**. She comes this afternoon.

The Bible also tells us that God is always **near**.

His angels, they watch over us. So, we don't need to fear.

And since God is always **near** and with us everyday,

He promises to guide us as we journey on our way.

I'm thankful God is with us. That's music to my ear.

We never have to go alone. For He is always **near**.

Near - You are near, O LORD, and all your commands
are true. (Psalm 119:151)

It's great to learn together and help each other see...
How just a moment in God's Word can bless our family.
