## Youth

Hello. Hello. How are you? We're glad you came our way.  
Our God is great. He cares for us. Let's share His love today.  
Summer time has come again. Our new month is July.  
We'll spell a brand new word each week. Our letter now is "Y".

And the word is... **Youth.**  
**Youth** is the time when people are young

So, who would like to help me? We'll get this work done fast.  
You sure don't want to be left out. 'Cause cleaning's just a blast!  
Kate, you dust the furniture. Ben, put those books away.  
Gail, you can wash the windows. Then, we'll go out and play.  
I can't hear what you're saying. Will you turn that thing off?  
What? You fear it might start raining. No, I don't have a cough.  
What is going on here? You unplugged it from the wall.  
You're talking with the vacuum on. We couldn't hear at all.  
Chuck, was just not thinking as he spoke to each of us.  
He really wants to play outside and so he's in a rush.  
It happens all too often. We act before we think.  
And that can lead to problems making things get out of sync.  
And that's why it's important to listen to the truth.  
As grownups help us learn God's word and teach us in our **youth.**  
So, listen to your parents and other grownups too.  
They really want to make you wise and share God's love with you.

**Youth** - Remember not the sins of my youth. (Psalm 25:7)

It's great to learn together and help each other see...  
How just a moment in God's Word can bless our family.
