

Guide

Greetings, greetings boys and girls. We hope you're doing fine.
Let's talk about our Savior's love and let God's mercy shine.
We're in the month of August. Our letter now is "G".
The letters are about to drop. So, watch them carefully.

And our word is... **Guide**.
To **Guide** is to show the way

It's time to go exploring. I'll be your **guide** today.
Now please, stay close. It's dangerous. Let me show you the way.
Ben, you'll be my assistant. And here's your Ranger hat.
The **guide** badge goes in front like mine. So, put it on like that.
Okay. Line up. Single file. And please stay on the trail.
We'll show you sights you've never seen. Explain them in detail.
This is so ridiculous. We're in our yard outside.
There's nothing here that's dangerous. We sure don't need a **guide**.
Ah, another amateur. We've seen your kind before.
Believe me little lady there are danger zones galore.
Well, probably not out here. But, I know one thing's true.
There are a lot of people who can **misguide** me and you.
Now that's a real good point, Gail, which cannot be denied.
It is easy to get lost without Jesus as your **guide**.
And that's a real good reason to read God's Word and pray.
Lord, **guide** us as we go through life. Be with us everyday!

Guide – You guide me with your counsel. (Psalm 73:24)

It's great to learn together and help each other see...
How just a moment in God's Word can bless our family.
