

## Grow

Hey, Hey, Hey, we're glad you're here. Thank you for stopping by.  
We're happy you can spend some time. And here's the reason why...  
We're in the month of August. Our letter now is "G".  
The letters are about to drop. So, watch them carefully.

And our word is... **Grow**.  
To **Grow** is to get bigger

Our mother loves to garden. Why don't you come and see?  
Her vegetables are **growing** up as tall as they can be.  
Each began as tiny seeds. She plants them in the ground.  
And then before you know it, they break through without a sound.  
Oh, look. Here are some carrots. Each plant is pretty small  
compared to all the rows of corn. My, my, has it **grown** tall!  
Here's onions, lettuce, green beans, tomatoes, broccoli, too.  
Sunshine and water make them **grow**. I do believe that's true.  
And that's the way that we **grow**. Just like this garden space.  
God shines His love into our hearts and waters them with grace.  
He tells of His mercy through Jesus Christ, His Son.  
Who came to take away our sin. For us, salvation won.  
And when we read the Bible, our faith **grows** even more.  
We hear how much He loves us, too. Just like He's loved before.  
So, we **grow** like vegetables, when watered from above.  
We trust the Lord with all our heart and **grow** up in His love.

**Grow** – Speaking the truth in love, we will in all things grow  
up into him who is the Head... (Ephesians 4:15)

It's great to learn together and help each other see...  
How just a moment in God's Word can bless our family.
