

North

You're here! That makes us happy! We're mighty glad you came.
Let's talk about the Savior's love and share His precious name.
Here we are – the month of May. And "N's" our letter now.
We'll spell a brand new word each week and I'll show you just how.

And our word is... **North**.
North is the direction opposite south

Okay. Here's a question. Just which way would you go
to reach the **North** Pole. That's the quiz. So, who thinks that they know?
Now, that's a really tough one. Hummm, which way would I go?
I think I've stumped Kate. Here's a clue. There's always lots of snow.
Chuck, you can't be serious. I don't think you stumped Kate.
To reach the **North** Pole you'd go **north**. There's really no debate.
Oh, yea, I guess the question contained the answer, too.
Yea, it was pretty easy, Chuck. Kate didn't need your clue.
But, since we're asking questions. I've got one. Do you know
why God sent Jesus to the world a long, long time ago?
Jesus came to die for us; to take our sins away.
That's right. He died for everyone. God loves us just that way.
So, let's ask one more question. Now just what can we do
to share God's love throughout the world, so others know Him, too?
Ah shucks, I know the answer. It's easy as can be.
Go east and west. Go **north** and south. Tell everyone you see.

North - He gathered [those] from lands, from east and west,
from north and south. (Psalm 107:3)

It's great to learn together and help each other see...
How just a moment in God's Word can bless our family.
