

Needle

Greetings, greetings boys and girls. We hope you're doing fine.
Let's talk about our Savior's love and let God's mercy shine.
God loves His children dearly as our new word will show...
Let's choose the letters that we need – on your mark, get set, go!

And our word is... **Needle**.
A **Needle** is a pointed sewing tool

My mom is always sewing. It's just her favorite thing.
She simply takes a **needle** and then ties it to a string.
First, you take the string, like this, and push it through the hole.
I just can't seem to make it work. I'm losing all control.
That's because you don't use string. You have to sew with thread.
And it's called an eye, not a hole. No matter what Chuck said.
That's where we get the saying when things are hard to do.
"Threading the eye of a **needle**" – It's absolutely true!
Hey, Jesus used that saying when talking to a man.
He asked the Lord a question. "Please, help me if you can?"
"I want to get to heaven. So, won't you tell me how?"
And Jesus said, "Come follow Me. Sell everything right now."
The man had lots of money. And so, he left quite sad.
He loved his money way too much to sell all that he had.
That's an important lesson. Make Jesus number one.
For heaven comes through faith in Him, God's one and only Son.

Needle - It is easier for a camel to go through the eye of a
needle... (Luke 18:25)

It's great to learn together and help each other see...
How just a moment in God's Word can bless our family.
