

Bringing Families Together in Christ
I have no greater joy than to hear that my children are walking in the truth
III John 4

Knowledge

Hello. Hello. How are you? We're glad you came our way.
Our God is great. He cares for us. Let's share His love today.
We are in the month of June. Our letter now is "K".
Some letters are about to drop and spell our word today.

And the word is... **Knowledge**.
To have **Knowledge** means to learn

Our word this week is **knowledge**. It's time for us to start.
As your astute professor, I'm going to make you smart.
Now hold on just a minute. You think that you can teach?
Then tell me what "astute" means before you begin to preach.
Well, I'm not exactly sure. I'd tell you if I could.
But our dad used it yesterday. It must be something good.
Boy, you are some professor. The worst I've ever seen.
You're going to teach us using words and don't know what they mean.
So, I don't know everything. Can you say that you do?
That is not what I'm saying, Chuck. There's lots to learn, it's true.
Chuck's made an important point. We all could learn much more.
The world is filled with **knowledge**. There is so much to explore.
The Bible tells us something I think we all should hear.
Knowledge starts by fearing the Lord. God makes that very clear.
Jesus died, the Bible says, to save us all from sin.
Since I'm your astute professor, that's just where we'll begin.

Knowledge - The fear of the LORD is the beginning of knowledge. (Proverbs 1:7)

It's great to learn together and help each other see...
How just a moment in God's Word can bless our family.
